

women's service league

Dear Friends of Women's Service League & Southwest Michigan Association of Realtors:

On February 9, 2019, Women's Service League will hold our Annual Charity Event! This will be our 60th year and we will be celebrating with a birthday themed event that will include a silent auction, a buffet dinner, dancing, photo booth, and other fun events to raise money and awareness of the Southwest Michigan Suitcases For Kids Charity.

Women's Service League is a not-for-profit organization of talented women committed to promoting volunteerism and improving the community through positive action and leadership. We strive to bring awareness, funding, and growth to other community events and organizations that address the education, health, and overall well-being of Southwest Michigan.

Since 1931 the dedicated members of Women's Service League have volunteered their time and talents to establishing many well-known events and meaningful services to Southwest Michigan. The annual Charity Event brings WSL one step closer to helping other civic and charitable organizations attain their goals. Over the years numerous groups in Southwest Michigan have benefited financially and structurally from the support of Women's Service League.

We are in the process of collecting donations for the event to benefit Suitcases For Kids. Would you please consider becoming a sponsor? By donating, you will be making a tax deductible contribution that will help Women's Service League make a difference in the lives of the children who are part of the foster care program. Did you know that many children are removed from their homes without notice due to emergency situations? In these cases the children leave their homes with little to no possessions. Please help us provide these children with a backpack filled with items that they can call their own.

Additionally, you will benefit from exposure of you business' name to those who attend the event. Donors will be recognized throughout the evening and made visible to the 200 guests in attendance that evening. As a corporate sponsor, your business will be recognized in all the media coverage which will include; live and recorded air time on our local radio stations as WSL members meet with the radio personnel to discuss the event. Additionally, your business name & logo will be added to the WSL website and Facebook page.

Will you please consider donating to support the continued work of Women's Service League and Suitcases For Kids?

We sincerely thank you for considering this request!
